TRIDENT Dental Laboratories' Shipping Guide

A

COMPLETE AN RX FORM FOR EACH CASE

Please print legibly and ensure all information provided is accurate.

- 1 Practice name and/or Dr. name; address, and account number (if available)
- 2 Dentist's signature and license number
- 3 Patient's first and last name
- 4 Case due date
 - a. Confirm ample time for fabrication of the case has been given to the lab.
 - b. For rush cases, call to schedule in advance and mark RUSH on the Rx
- 5 Restorative product(s) selected
- 6 Tooth number(s), design preferences, and shade, if applicable
- 7 Special case instructions

B

PREPARE THE CASE(S) FOR SHIPPING

Please take extra care in packaging your case materials for shipping. Be sure to enclose all pertaining case materials; impressions, models, bite registrations, and articulators.

Use the bubble wrap provided to package all case materials.

Insert all case materials into a plastic bag (One case per plastic bag) with individual Rx form and rubber band to secure.

Place all secured case materials into a case box; seal and affix the preprinted airbill. For multiple cases, ship as many cases in one box and only get charged \$6.50 inbound!

C

CALL TRIDENT TO ARRANGE A CASE PICK-UP

- Pick-up charges are \$6.50 per box. You can ship as many cases as you wish in one box. All cases are delivered next day air (afternoon delivery) to your office at \$6.50 per invoice. *(Saturday delivery available for an additional charge.)* Additional times and fees may apply to outlying areas. *Alaska, Hawaii and International excluded.
- Request additional supplies, if needed.
- Should you have any questions regarding Tridents products and services please call (800) 221-4831
