

THE UNBREAKABLE PARTIAL DENTURE

Tri-FLEX™
FLEXIBLE PARTIAL DENTURES

CALL TRIDENT FOR PRICES

Tri-Flex™ is a new unbreakable flexible partial denture exclusively from Trident! The translucency is so natural-like that no one will know your patients are wearing a partial denture. Help your patients rediscover their natural smile and ensure confidence with Tri-Flex.

Tri-Flex Features and Benefits:

- Monomer and Metal Free
- Ultimate in Comfort and Flexibility
- Precision Fit; Lightweight
- Translucent, Lifelike
- Stain Resistant
- Easy to Finish and Polish
- Can Be Combined with Metal Frame

"By eliminating rest seats this tissue borne partial denture is the most comfortable, well fitted appliance I've seen to date."

- Dr. Manny Prepfast
