TRICON™
PRECISION MILLED ZIRCONIA
THE NEW PFM!

**CALL TRIDENT
FOR PRICES**

Tricon™ Zirconia, exclusively from **Trident Dental Laboratories**, stands on its own amongst the array of different Zirconia brands offered. Precision milled to deliver optimal strength and a perfect fit, Tricon provides the reliability of a Zirconia restoration at a price valued where most PFM restorations start, now only **\$79/ per unit!**

Key advantages of Tricon include:

- Strength and esthetics
- Precision design with the latest CAD/CAM system
- Elimination of dark gingival greying
- Long-lasting metal-free esthetics
- Ideal marginal fit
